Pain Resources on the Web 1  MGH Pain Calendar 2
Reader Comments 2

In the News

• The FDA issued a Public Health Advisory “Combined Use of 5-Hydroxytryptamine Receptor Agonists (Triptans), SSRIs or SNRIs May Result in Life-threatening Serotonin Syndrome”
• The American Liver Foundation issued a Warning recommending people not exceed 3 grams of acetaminophen a day for prolonged periods (equivalent of six ‘extra-strength’ tablets a day for several weeks) after a study by Watkins “Aminotransferase Elevations in Healthy Adults Receiving 4 Grams of Acetaminophen Daily: A Randomized Controlled Trial” was published in the July 5th JAMA (p.87-03).
• Voices of Chronic Pain, a new patient survey by American Pain Foundation, reveals the devastating impact of chronic pain on the lives of patients and their desire for more pain management options. Read the Survey Fact Sheet and the Full Report.
• Paul Arnstein, who has recently taken Tom Quinn’s position as Project Director for MGH Cares about Pain Relief, has been selected as one of the 2006 Mayday Fellows. This fellowship provides leaders in the pain management field with tools and skills to advocate on behalf of better treatment for pain

Journal Watch

• Six articles are included in the Special Topic Series ‘Management of Complex Regional Pain Syndrome’ in the June issue of Clinical Journal of Pain including an Introduction and articles on: Diagnosis, Functional management, Pharmacological management, Psychological and behavior aspects, Interventional therapies, and Management of pediatric patients.

Pain Resources on the Web

• Perils of Pain: Updated evidence on effective pain management in patients in methadone maintenance treatment programs. Sponsored by AT Forum.
• Thomas E. Quinn, previous editor of this newsletter, provides a new Pain Topics article entitled “Pain Assessment in the Difficult-to-Assess Patient” sent as a separate attachment to this month’s newsletter. Check this and other Pain Topic summaries at http://www.massgeneral.org/painrelief/Newsletter/mghpain_connection.htm.
• List of Professional Journals on Pain

Pain Education on the web

  o Aug 21 "Psychological Assessment Issues in Chronic Pain" Ronald Kulich, PhD, MGH Pain Center

• Palliative Care Grand Rounds are held Wednesdays at 8:00am in the Ether Dome

Reader Comments

• If you have any suggestions for content, please let me know:
  o Do you want more of one particular type of information (news, FDA alerts, articles, clinical trials, CE, etc)
  o Do you use the url links at the end of the newsletter?
  o Would you like more summary information about each news item or article?
  o Are there specific topics that you would like covered?
  o Or, should it stay the same?

• Contact me with your comments: Cpaul2@partners.org or 617.724.2784.
