

MGH CHAPLAINCY

WORSHIP SCHEDULE  
*A presence in time of trouble, a ministry of hope and spiritual support.*

At MGH we recognize that meeting spiritual and religious needs is an important part of caring for the whole person. To respond to these needs, the hospital offers the services of our Chaplaincy. Chaplains are committed to providing spiritual care to patients and families, to the staff and to the institution as a whole.

| Service                    | Day                                | Location                                 | Time                                               |
|----------------------------|------------------------------------|------------------------------------------|----------------------------------------------------|
| Prayer Service             | Daily                              | Chapel Ellison, first floor              | 12:15 pm                                           |
| Jewish Pre-Shabbat Service | Friday                             | Chapel Ellison, first floor              | 2:00 pm                                            |
| Muslim Prayers             | Daily                              | Masjid Founders 109                      | Schedule posted outside Masjid                     |
