

Want to Say Thank You to Your Nurse or Nurse Colleague?

The DAISY (Diseases Attacking the Immune System) Award is an international recognition program that honors and celebrates the skillful, compassionate care nurses provide every day.

Share your story of compassionate and skillful nursing care*

Hold your smart phone camera to the QR code and click the link that auto populates to access the online nomination form

Drop nomination forms in nomination boxes located in main lobbies or designated areas

www.daisynomination.org/MGHDAISYAward
