

Date: May 18, 2023 | **Time:** 1:30 pm – 3:00 pm

Location: O’Keeffe Auditorium and Zoom

MGH Nursing Research Day The Power of Nursing: Pathways and Possibilities

Comprised of the annual Nursing Research Lecture and Presentation of Awards

Activity Description:

The pandemic has illuminated the important contributions that nurses make to the health and well-being of this nation as well as globally. As a result, there are numerous opportunities across industries for nurses to contribute at all levels. This course is designed to offer nurses the opportunity to apply nursing scholarship and their professional lens in multiple settings.

Learning Objective(s):

At the end of this offering, the learner will be able to articulate the value that nursing scholarship brings to nursing practice.

Target Audience: RNs

Course Director: Sara Looby, PhD, ANP-BC, FAAN

Credits Awarded

1 American Nurses Credentialing Center (ANCC) credit

Keynote Speaker:

Angelleen Peters-Lewis, PhD, RN, FAAN
Chief Operating Officer and Chief Nursing Executive
Barnes-Jewish Hospital
