In appreciation for your selfless work and dedication during these extraordinary times

Darlene Sawicki, NP
director, Advanced Practice
Providers

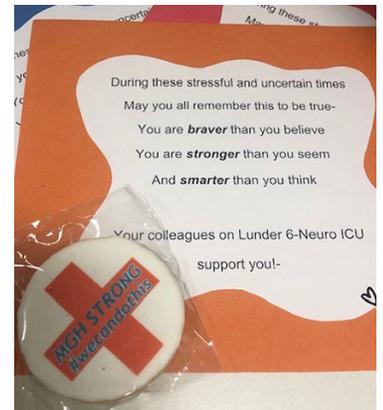

“I have always been proud to work at MGH, knowing we’re the best at what we do. During these unprecedented times, I’m even more proud and humbled by the extraordinary work and selfless dedication exhibited by our workforce on behalf of our patients and our community.”

—Darlene Sawicki, NP,
director, Advanced Practice
Providers

Cookies for our colleagues!

—submitted by Amy Watson, RN, Lunder 6 ICU

When I suggested to my Lunder 6 colleagues that we donate money to buy cookies for units impacted by COVID-19, my co-workers did not disappoint. In less than 24 hours, we had enough money to buy 900 cookies! We distributed them to many units, as well as Respiratory Care and Police & Security.

Notes affixed to cookie deliveries

It was wonderful in the midst of all the stress, to be able to support and appreciate these amazing teams. MGH STRONG #wecandothis!

“I have always depended on the kindness of strangers”

—Blanche DuBois, *A Streetcar Named Desire*

As Patient Care Services and the entire MGH community have selflessly stepped up to protect and care for our patients, we have been the recipients of generous donations from individuals and businesses near and far, including Sam LaGrassa’s Deli (who has made daily deliveries), OOFOS Footwear, and Crocs.

(At left): staff of White 8 Medical Unit enjoy delivery from LaGrassa’s. (Below left): White 3 PACU received new clogs from OOFOS. (Below): staff of Ellison 18 Pediatric Unit show their appreciation for donation of Crocs.
